Dear Parents and Guardians:

Please be advised that an additional information session has been scheduled related to the review of the school attendance zones of East Point Elementary and Mary Queen of Peace Elementary.

There will now be two information sessions and members of the school communities may attend either session as best fits their schedule. The two sessions are as indicated below:

- Monday, October 2, 2017 at 6:30 p.m. (Mary Queen of Peace gymnasium)
- Thursday, October 5, 2017 at 6:00 p.m. (East Point Elementary gymnasium)

Members of the school communities who would like to receive the information package as a presentation by Newfoundland and Labrador English School District staff are invited to attend one of these sessions. The school communities are also reminded that an information booklet and an online feedback mechanism are available on the District website:
