February 5, 2018

Dear Parents and Guardians:

As you are aware, the Board of Trustees for the Newfoundland and Labrador English School District held a meeting on February 3, 2018 and the school review process was discussed. A motion pertaining to the consolidation of Our Lady of Mercy Elementary and Appalachia High School was tabled and carried. As a result, the schools will consolidate as one, effective September 2018.

A transition team will be established to coordinate the consolidation process and further information will be communicated to the school community in the coming weeks. Should you require any further information on this matter please contact your school administration.

I would like thank the school community for their participation in the school review process and wish you well for the remainder of the school year.

Sincerely,

Donna Miller Fry,  
Assistant Director of Programs (Western)
