Dear Glovertown Academy and Charlottetown Primary families,

In advance of the Christmas break, we wanted to provide you with an update on plans and next steps in the Glovertown Academy School System review process.

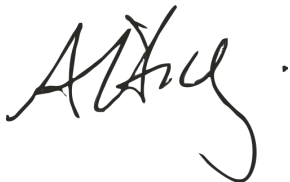

In the interest of having an informed community discussion around the Motion, a new web page for this phase of the school review process is being compiled and will be shared with your school community early in the new year.

Also expected in January, school community members will have an opportunity to provide feedback to the Newfoundland and Labrador English School Board Trustees on the specific motion outlined at their December 7th public meeting and provided to you earlier this month. An opportunity to provide online feedback will be provided through our community consultation tool, [ThoughtExchange](#), and a public school community meeting is anticipated to be scheduled for **February/early-March** in your area. We anticipate being back to you in early-January with an updated web page and more established dates around these consultations.

Should you have any questions, please contact Duane Smith, Director of Schools, at (709) 256-2547 (ext. 277) and duanesmith@nlesd.ca.

Thank you to the members of your community who have provided us with feedback during this process to date. We look forward to continuing to work with you in the new year.

Sincerely,

Andrew Hickey
