Office of the Assistant Director of Education*

*Chair: Goronwy Price  
C.E.O./Director of Education: Darrin Pike, B. Sc., B.Ed., M.Ed.*

March 15<sup>th</sup>, 2017

Dear Parents and Guardians:

In June 2009, the former Western School District passed a number of motions pertaining to the reorganization of the Corner Brook school system. As part of these motions it was planned that both Humber Elementary and St. Gerard's Elementary would close with both student populations attending a new K-6 school at an appropriately renovated G.C. Rowe building. As the renovations to make G.C. Rowe an appropriate K-6 school are scheduled to be completed prior to September 2017, the motion of 2009 will be implemented for the upcoming 2017-2018 school year.

The District has prepared an information package which contains details of the proposed changes for these K-6 schools. Members of the school community are encouraged to review the information package to become familiar with the process. This package can be found on the District website: [www.nlesd.ca/schools/schoolreview/2017/systemcbh.jsp](http://www.nlesd.ca/schools/schoolreview/2017/systemcbh.jsp).

Should you have any questions about this process or would like to provide feedback to the Newfoundland and Labrador English School District, please contact Mr. Paul Rose, Senior Education Officer, at 637-4623 or [paulrose@nlesd.ca](mailto:paulrose@nlesd.ca).

Sincerely,

Eugene May  
(Acting) Assistant Director of Education – Programs/Western
