

Media Consent Form
(Photography, Audio, Video, Media and Social Media)
2023-2024 School Year

Public schools throughout Newfoundland and Labrador promote involvement in curricular and co-curricular activities by posting student photos, audio, and/or video or academic and non-academic student work on their website, social media platforms (e.g., X {formerly Twitter}, Facebook, etc.) and/or newsletters, presentations, brochures or advertisements. Activities and achievements of our school may also be promoted on the NLSchools website (www.nlschools.ca), social media platforms, or via other promotional opportunities.

Occasionally, media may be present in our school to videotape, photograph, record, and/or interview students involved in school-related activities. **Please note:** activities considered 'in school' include, but are not limited to, pictures and video of activities that occur in the school environment; inside the physical building, the classroom, or in a Google classroom/ structured online environment.

Please indicate your wishes regarding your child's involvement in the promotional activities noted above by completing the form below and returning it to your child's homeroom teacher. Student names or images will not be used without permission from the parent/guardian.

Parents/guardians are also encouraged to review NLSchools' **Social Media Use** policy (FIN-502) and **Terms and Conditions for Student Use**, as well as the **Acceptable Use of Technology policy** (FIN-500) available at <https://www.nlschools.ca/about/policies.jsp>
