

A Message From
GORONWY PRICE

Chair, Newfoundland and Labrador English School Board

Looking Forward to September

On behalf of the Board of Trustees of the Newfoundland and Labrador English School District, I want to acknowledge all the hard work and commitment of students, staff, and families as this most unusual 2019-20 school year comes to an end.

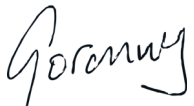

There have undoubtedly been challenges, but there have also been some extraordinary success stories and organizational growth over the past three months. We have all been learning to operate in very different ways which, from an educational perspective, can only lead to more innovative teaching and learning in the future.

We hope to see all students back in classrooms, engaged in face-to-face learning with teachers in September. And while we can't predict that with absolute certainty, we are working very hard to achieve as much 'normalcy' as possible in the new school year.

As we close out this year, allow me this opportunity, on behalf of the Board of Trustees, to congratulate the Class of 2020. We acknowledge your achievement and resilience, and wish you the very best in your future endeavours. I also take this opportunity to thank our school administrators, teachers, and District staff for your dedication to students under some very trying circumstances. To our students and families, I thank those of you who embraced this challenge and did your level best to continue the learning journey. We understand and appreciate that it was not always easy.

I wish you all a wonderful stress-free summer. Take care, and be safe. We look forward to seeing you all in September.

Sincerely,

Goronwy Price, Chair

Congrats!
Class of 2020
