**Public Advisory: Further Route Information Updated
Following Suspension of Select Busing Services**

The Newfoundland and Labrador English School District continues to work with private busing contractors to ensure service resumes for all students for Monday (February 20). While the District remains on track to meet the timeline, specific information can be expected to be shared with families and the general public throughout the weekend.

Service has been confirmed to resume on Monday for the schools and routes bolded and identified in the updated backgrounder. Schools are directly contacting impacted families to advise.

The District will be sharing a further update this weekend to confirm the remaining routes are reinstated.
