

June 12, 2019

Good day families,

We are now up to **209** individuals sharing over **250** thoughts on the planned configuration for the Holy Spirit High and Mount Pearl Senior High school system in anticipation of the opening of the new intermediate school in Paradise, expected for the 2021-22 school year. There are some great points made so far. All voices matter, so your participation is crucial and valued.

This is a reminder that our online conversation through ThoughtExchange will **conclude Thursday (June 13) at 11:59 pm**. You are encouraged to go into the exchange and share thoughts (if you have not already done so), place a ratings star beside some of the new thoughts shared, and see what views are rising to the top.

Once again, we want to hear your views and perspectives on the following question:

**After reviewing our planned configuration, what are the most important things for us to consider to make this plan successful?**

To launch the ThoughtExchange dialogue, please visit: <https://my.thoughtexchange.com/#607825600>

The results of this discussion will assist us in understanding how the planned configuration will impact these school communities, and the topics that should be considered as we move towards the opening of the new intermediate school.

As noted in our previous memo, any family who determines these adjustments will result in at least two students from the same household enrolled in different feeder systems is asked to inform the administrative team of your youngest child's current school. The District intends to follow up with these families once the exchange has concluded.

Complete information on this School System Review process is available on the District's website at <https://www.nlesd.ca/schools/schoolreview/2019/system-hsh-mpsh.jsp>

Thank you in advance for your input.

Regards,

**Darryl Feener**  
**Assistant Director of Education - Programs (Avalon Region)**
