Good day families,

During the fall, 2018, the Newfoundland and Labrador English School District consulted with members of the Holy Spirit High and Mount Pearl Senior High school systems regarding the new intermediate school in Paradise. The District has reviewed the results and created a single plan to meet the needs of the community, as shown by the key values shared with us by participants. Details of the planned configuration can be viewed on the District website or directly here: https://www.nlesd.ca/schools/schoolreview/2019/system-hsh-mpsh.jsp

We are once again asking for feedback from your school community. We have created a new ThoughtExchange question for consideration and input. All voices matter, so your participation is important.

Once you review the planned configuration, please follow the link below to enter your thoughts on the following question. The exchange will close as of 11:59 p.m. Thursday, June 13.

After reviewing our planned configuration, what are the most important things for us to consider to make this plan successful?

If this is your first time participating, you will be prompted to add and verify your email address, and create a password to participate in this online conversation. ThoughtExchange will allow you to share your own individual thoughts, consider and rate the thoughts of others, and learn what is important to the community. It will be important for you to share your thought and also explain why it is important, as it will help others determine if they agree. ThoughtExchange keeps the identities of those who shared thoughts and assigned ratings confidential.

Complete information on this School System Review process is available on the District's website at https://www.nlesd.ca/schools/schoolreview/2019/system-hsh-mpsh.jsp

Thank you in advance for engaging in this process.

Regards,

Darryl Feener
Assistant Director of Education - Programs (Avalon Region)
