St. Kevin's Junior High is committed to creating a positive and welcoming inclusive school community, supportive of diversity, where students can maximize achievement, build positive relationships, and engage in academic excellence and extracurricular programming.

# A Message From TONY STACK CEO / DRECTOR OF EDUCATION (Interim)

The school development report for the 2016-17 school year outlines your school's successes in areas such as student achievement and professional development.

School development plans align with and support the Strategic Plan of the Newfoundland and Labrador English School District, and also give guidance to individual staff growth and development plans. Producing this report is not done to simply satisfy an administrative requirement, but rather it is an important exercise that captures what has been achieved in order to frame the next steps that schools must take to continually ensure the safety, security, and success of our students so that they may have all the tools needed to realize their full potential.

Our schools are full of pessionate educators and staff who give of themselves every day to see a child realize their potential. Our teachers, support staff, administrators, school councils, parents, guardians, and students are truly invaluable as we set collective goals to take us into the future. Each and every member of our school communities has a role in creating an accomplished education system and please know we appreciate your support, feedback, and continued efforts as evidenced in this report.

Sincerely,

Tony Stack

CEO/Director of Education (Interim)

#### **Message from Principal**

I am pleased to present the Annual School Report for the 2016-17 school year.

2016-17 was a productive and positive year at St. Kevin's Junior High. This year, we engaged in a School Development Internal/External Review process. This process involved School Development team members, staff, students, and school council engaging in preparing our school development yearly plan followed by a peer validation of our school's procedures, practices and policies. This was a positive and empowering process, which resulted in an external report of recommendations and commendations we are very proud of as a school community.

Our School Development Plan focuses on two main goals:

**Student Achievement** - To increase student achievement across the curriculum through enhanced learning within an inclusive learning environment

**Safe and Caring** - To enhance school culture that fosters a safe, healthy, caring, socially-just learning environment The plan in its entirety, which outlines objectives and strategies, is included in this report.

We are excited to continue with our school council and school community into the 2017-18 school year to work collectively to achieve our identified goals.

I wish to extend a sincere thank you to our School Council and School Development committee members for their active participation in our external review process as well as the support and involvement in the development of our goals.

Thank you to our school community for your continued support and we look forward to working together in 2017-18.

Yvonne Barry Principal

#### **Message from School Council**

I am pleased to bring greetings on behalf of the St. Kevin's Junior High School Council.

The commitment and dedication shown daily by the administration, teachers and support staff in providing our children with high quality learning experiences in a safe and caring environment does not go unnoticed. School Council was informed of the School Development plan for the 2016-2017 school year. Development goals of increasing student's achievement across the curriculum and enhancing school culture to foster a safe, caring and socially just learning environment will continue to be priorities for the St. Kevin's Junior High School Council for the 2017-2018 year. The School Council will work with administration, teachers, students and parents in an effort to achieve the goals as outlined within the plan.

School Council members participated in an Internal/External Review this year. They also provided feedback regarding the NLESD Strategic Plan.

School Council provided input into fundraisers for the school itself, and for other teams and groups within the school. Plans are being made for improvement to the school grounds, funded partially through a Supportive Environment Grant from the Provincial Government.

I would like to wish our students continued success in their endeavours, both curricular and extra-curricular, as you represent St. Kevin's Junior High.

St. Kevin's Junior High School Council would like to thank our parents, families, and school community for the continued support they show in so many ways.

Jeannie Reddy Chair

#### **Overview of School**

#### **Our School Community**

Our school, St. Kevin's Junior High, is part of the Newfoundland and Labrador English School District, which manages 259 schools with approximately 67,000 students and over 8,000 employees. The school currently has an enrolment of 290 students and offers Grades 6-8 to the communities of Goulds, Petty Harbour, and Maddox Cove. Our feeder school is Goulds Elementary and the students from our school feed into St. Kevin's High School.

#### Our Staff and Classes

Our school had a total of 21 full-time educational staff that included 1.25 administrators, 12 classroom teachers and 3.25 instructional support teachers (including pervasive needs teacher). We had a 0.75 guidance counsellor, 1.71 specialist teachers in the areas of Music, Physical Education and Art, 0.27 learning resources teacher, as well as, the support of 2 student assistant (8.5 hours per week). In addition to staff based at the school, we had access to District office staff including speech-language pathologists, educational psychologists, itinerant teachers for the visually impaired, hearing impaired, and learning disabled. The school also had the services of 1 secretary (7 hours per day) and 3 maintenance personnel.

#### Pupil-Teacher Ratio- fixed

Pupil-teacher ratio refers to the number of full-time equivalent students in a school compared to the number of full-time equivalent educators.

For 2015-2016 the pupil-teacher ratio in St. Kevin's Junior High was 12.8. This compares to a pupil-teacher ratio of 12.5 for the District and 12.1 for the Province.

## Average Class Size

The Average Class Size for our school was 23.5 in comparison to the District Average Class Size of 21.0 and the Provincial Average Class Size of 19.7.

## **How has our Enrolment Changed?**

The table below shows the enrolment changes at St. Kevin's Junior High:

#### **Key Highlights/Special Projects**

**TERRY FOX WALK** - On Friday, September 16th, the students and staff took part in our Annual Terry Fox Walk. This is a very important event for our school as it allows us to discuss a very important person and event that took place in our history that still continues to influence us today. We would like to say thank you to Sgt. Kevin Foley from the RNC for his safety patrol on our route. We raised a total of \$ 433.95 which will be donated to the Terry Fox Foundation.

**FILL THE TRACTOR—FALL FOOD DRIVE** - Our Fall Food Drive was a huge success. As a school we were able to donate 1544 items to the St. Kevin's Parish Hall Food Bank. Thank you for your support in helping us "Fill the Tractor."

**HOMEWORK HAVEN -** We offer Homework Haven every Tuesday, Wednesday and Thursday afternoon from 2:15-3:15 in the school library. During this time a teacher is present to assist students with any school work they may have. The English sessions take place in the library each afternoon and the French sessions take place in a French classroom with a French teacher.

**EUROPE TRIP 2017 -** Over Easter Break, some of our students took part in touring the Canadian Battlefields in Europe. Despite the cool temperatures our students had an excellent experience viewing first-hand the effect Newfoundlanders and Canadians had in the first and second world war.

**ENGLISH AND FRENCH SPEAK OFF** On April 6 and April 11 our English and French Speak Offs took place. We would like to say congratulations to all students who participated. All the speeches were fantastic and all the students did a wonderful job!

#### **Partnerships**

#### DARE GRADUATION

Once again this year, our Grade 6's took part in the DARE program. Our DARE officers, Constable Ken Milks and Sergeant Kevin Foley of the RNC came into our classrooms each week for 10 weeks in order to teach students the importance of making good choices. While it is a very educational program, it was also a lot of fun for students. We would like to send out a big thanks to Constable Milks and the RNC for their hard work and dedication so that this program can be a part of our school each year!

#### CHRISTMAS BREAKFAST

This year we will be having our 4th Annual Christmas Breakfast on Wednesday December 21st for all students and staff. Students will enjoyed a lovely cooked breakfast with their classmates and teachers. This is a wonderful morning that the students really enjoy. Students are permitted to wear their favorite pajamas (school appropriate) on this day. A big thank you to all the teachers who were up bright and early to cook this breakfast for our students. Also a big thank you to Rod Forward and his staff at the Big R Restaurant for their help and to The Egg Farmers of NL and NFLD Eggs for their gracious donations.

**BRIDGE BUILDING COMPETITION-** over 50 of our students competed in the PEGNL Model Bridge Building Competition which took place on Saturday, March 6th at the Johnson Geo Centre. Students were amazed at just how strong their bridges were and the strongest bridge for our school held 321.8 kg (702lbs).

**SCIENCE FAIR-**On April 7<sup>th</sup> and 8<sup>th</sup> five of our students represented our school at The Eastern NL Science and Technology Fair where two of our students were Bronze Medal winners.

**HERITAGE FAIR-** Five of our students represented our school at the Regional Heritage Fair in May. One of our projects was the winner of the Biographical Award at this fair.

**SKJH CHAPTERS NIGHT -** On Monday March 27th we had our 2nd Annual SKJH Chapter's Night. Our school choir and band members entertained us. Chapters and Starbucks donated 20% of purchases to our school. Chapters donated \$680 to SKJH!

**MUSIC MONDAY** - on May 1, our school participated in Music Monday. This musical event was in partnership with the Coalition for Music Education commemorating Canada's musical heritage and celebrates the unifying power of music. We enjoyed wonderful performances from our band and choirs.

**JUMPFEST**- on May 12, Our Grade 6 students participated in the Heart and Stroke Foundation's annual JUMPFEST. This event motivates kids to get active, reinforces healthy habits like healthy eating and physical activity, teaches the importance of social responsibility and helping others in the community and across Canada, empowers kids to make a difference by supporting a good cause and boosts school spirit.

#### **Summary Report on the School's Most Current Data**

#### **Provincial Assessment Data**

#### **Grade 6 English Language Arts**

Grade 6 Enrolment = <u>85</u>

T3 - Term 3 - June 2017

#### What do these results tell us?

These results come from our December 2016, March 2017 and June 2017 data. The % at Risk indicates students who scored less than 60% in June.

In June, the pass rate for Grade 8 students in Language Arts was 97% and 98%/100% in Math/Mathematiques. In June, the pass rate for Grade 7 students in Language Arts was 100% and 100%/100% in Math/Mathematiques.

The percentage of students passing in Grade 7 or 8 Language Arts or Math increased in all areas from December to June.

The percentage of students at risk (scoring at or less than 60), from Term 2 to Term 3 increased in: Math 7 by 5 %
Math 8 by 3%
Mathematiques 8 by 5%

The percentage of students at risk (scoring at or less than 60), from Term 2 to Term 3 increased in: Language Arts 7 by 4% Language Arts 8 by 7%

The percentage of students failing in all above courses decreased from Term 2 to Term 3 overall, except Language Arts 8

27% of Grade 7 students achieved Honour Roll status in June 2017 5% of Grade 7 students achieved Principal's List statue in June 2017

37% of Grade 8 students achieved Honour Roll status in June 2017 11% of Grade 8 students achieved Principal's List status in June 2017

Based on the Internal Data presented, teachers collaborated on School Development teams to analyze our data, present objectives for our Annual School Development Plan, and prepare strategies and action plans to address the academic priorities from the data.

Specifically, for Language Arts, a priority is to improve the quality of student written output and reading comprehension through strategies such as developing writing convention skills, initiating reading programs, and modelling comprehension skills.

In Mathematics, a focus is to increase math operations with Math Activity Days, collaborative team sessions for teachers, and availing of valuable professional learning opportunities for Math teachers.

See included below our Annual School Development Plan which includes Goals for Student Achievement and Safe and Caring Schools. The goal statements, objectives, strategies, indicators of success are listed below as well as a brief descriptor of each progress to date.

#### **School Development Plan for Current Year** (3 – 4 pages)

The school development plan for the current year is part of a 3-4 year plan developed using the Provincial School Development Model. The school's plan is revisited yearly using the results from the Report on School Development Plan from Previous Year and the Analysis of Most Current School Data. While a school endeavors to meet the target dates of its 3-4 year plan, it recognizes that its plan is flexible and that revisions may occur annually.

This section outlines the School Development Plan for the current year. The templates list the goals, objectives, strategies, indicators of success and support plans. Also included in this section is the **Operational Issues Report**.
